## Co-Founder & Managing Director Operations

### Child's Dream Foundation

Marc Thomas Jenni is a Co-Founder and Managing Director Operations of Child's Dream Foundation. Marc serves in various boards of the Child's Dream charity family and chairs the board of the Thai foundation. He is responsible for the overall strategy of the organisation as well as for fundraising, legal, marketing, HR and general operation. With a budget of close to US\$ 10 million, Child's Dream, with its 50 colleagues, has implemented or runs over 700 charitable projects and programmes in Myanmar, Laos, Cambodia and Thailand, called the Mekong Sub-Region.

Marc's motivation to co-found Child's Dream stems from his experiences in working, living and traveling in Asia for many years. While working in Hong Kong and Singapore as a private banker, Marc had the privilege to meet many wealthy individuals who helped the less fortunate by making donations and volunteering in various charity projects in the region. This inspired him to do his part in making a difference for the underprivileged in society.

After nearly 20 years with UBS, Marc left the bank in 2003 to set up Child's Dream Foundation together with Daniel Siegfried.

Marc is a 'Swiss Certified Banker' and holds an Executive MBA Degree from the Swiss Banking School, Zurich.
